Retraction Note: *Journal of Ovarian Research* (2021) 14:76
<https://doi.org/10.1186/s13048-021-00822-z>

The authors have retracted this article. After publication, concerns were raised regarding image overlap between Fig. 5 of this article and Fig. 1 in [1], which the authors addressed by a Correction [2]. However, in follow-up experiments, the authors were unable to replicate the results of this study, which undermined the conclusions of this article.

All authors agree to this retraction.
